

Declaration of consent for applicants regarding the processing of personal data in the context of the call for papers and for the recording of the Annual Meeting 2024 in the German Association for Insurance Science e.V.

Since May 25, 2018, the General Data Protection Regulation takes effect.

The data of the applications will be stored in the DVfVW e.V. and forwarded to internal as well as external reviewers/reviewers. By submitting the paper proposal, you and your co-authors agree that your personal data will be processed, stored and forwarded exclusively for the purpose of selecting the papers, the subsequent implementation of the annual conference and the decision on a possible online or print publication.

Personal data of rejected submissions will be deleted. Personal data of speakers, co-authors and moderators will be published in the program and list of participants (title, last name, first name, professional position, employer, location) and, in the case of a face-to-face event, as a name tag.

I / We agree to the storage, forwarding and possible publication of personal data.
